Important Points to Note when Registering for Classes

- You will not be given credits for the classes that you have taken as all classes are non-credit bearing. However, proof of attendance will be issued upon request to students who have met requirements equivalent to credit fulfillment. You should make a request after you finish the final examination and before the last day of the month (August 31st for the spring semester, and February 28th for the autumn semester)
- When planning to take classes, approval must first be sought from your academic advisor. Please ensure that classes do not hinder your research activities.
- Before registration, please participate in the classes that you are interested in to ensure that lessons are of a proficiency level suitable to you.
- Upon registration, you are required to attend all lessons. Please ensure that you contact your class professor when you are absent from class, or if you decide to drop any classes.
- Students who are continually absent from classes without prior notification will not be allowed to take classes in subsequent semesters.
- The submission deadline stated in the website is final. No late submissions will be accepted.
- Once you submit this application to the professors at the Global Education Center, your registration will be considered official.
